

Accelerate your Success with education from our preferred learning partner, Global Knowledge

Northrop has partnered with Global Knowledge to provide Premier IT and Business Training and Certifications at a discounted price!!

Northrop employees receive **20% off** the published list price of GK courses.

If the class is noted as a partner delivered course, the discount is **5% off** list price.

- List prices for each course are found at www.globalknowledge.com.

Please email the GK representatives below to get a quote and to your register for your desired certification course using Ed Assist funds.

- **NOTE:** Northrop discounts are not applied automatically if you register online. You must contact GK before registering.
